

FLOATING FACT SHEET

kristensen:kristensen®

FLOATING

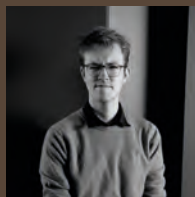

The design in this range is characterized by soft and organic connections. The raised top plate, gives the table a “Floating” effect, complimented with rounded edges, that gives it a soft look.

Designed by Morten Pedersen

This range include

Dining tables

Coffee tables

DESIGN DETAILS

Discover the options available for the Floating range, including wood finishes, and edge profiles, allowing you to tailor the design to your needs.

—

EDGE PROFILES

Choose from two beautifully crafted edge profiles and create a look that perfectly reflects your style.

For both dining and coffee tables.

EDGE 8
Rounded

EDGE 32
Floating

WOOD FINISH

Choose from four carefully selected wood finishes.

UP / WITHOUT
PATINATION
The wood is planned and sanded to achieve a smooth surface. With few and smaller knots.

Storage furniture can only be made with this finish!

RL / RAW LOOK
We brush off the layer of softer wood which gives a look of wood that has been roughened by natural wear.

May contain more and larger knots.

SC / SOFT CRACKS
Naturally occurring cracks are made more visible which gives a rustic look with cracks in the surface.

May contain more and larger knots.

FK / FILLED KNOTS
The knots are filled and the wood is planned and sanded to achieve a smooth surface.

Only for OAK!

TECHNICAL DETAILS

Explore the technical options for the Floating range, including size variations, leg positions, and other customization features, allowing you to adapt each design to your specific needs.

—

FSC® CERTIFICATE

A commitment for a better tomorrow.

CERTIFIED FOR RESPONSIBLE FORESTRY

We are happy to announce that from 2021 we have achieved the certification that enables us to offer FSC®-labelled products. FSC® stands for "Forest Stewardship Council®" and is an international non-profit organisation dedicated to promote responsible forestry. FSC® certifies forests all over the world to ensure that they meet the highest environmental and social standards.

By signing this contract, we have committed ourselves to living up to stricter social requirements. We are proud of supporting the FSC® with their work in looking after the forest workers and the wood industry, as well as fighting unsustainable, illegal forestry and deforestation.

STEP BY STEP TOWARDS BETTER PRODUCTION

We acknowledge that this sustainable transition is a longer journey and not something that happens overnight. But each day they we are committed in doing a little better than yesterday and keep making progress in this matter.

The mark of
responsible forestry
