# EDGE PROFILES

Define the character of your new dining table. Choose from four beautifully crafted edge profiles and create a look that perfectly reflects your style.

EDGE 2

EDGE 3  
Pisa

EDGE 4

# WOOD FINISH

Choose from four carefully selected wood finishes.

**UP / WITHOUT PATINATION**  
The wood is planned and sanded to achieve a smooth surface. With few and smaller knots.

*Storage furniture can only be made with this finish!*

**RL / RAW LOOK**  
We brush off the layer of softer wood which gives a look of wood that has been roughened by natural wear.

*May contain more and larger knots.*

**SC / SOFT CRACKS**  
Naturally occurring cracks are made more visible which gives a rustic look with cracks in the surface.

*May contain more and larger knots.*

**FK / FILLED KNOTS**  
The knots are filled and the wood is planned and sanded to achieve a smooth surface.

*Only for OAK!*
