WOOD FINISH

Choose from four carefully selected wood finishes.

UP / WITHOUT PATINATION
The wood is planned and sanded to achieve a smooth surface. With few and smaller knots.
Storage furniture and small pieces leaves can only be made with this finish!

RL / RAW LOOK
We brush off the layer of softer wood which gives a look of wood that has been roughened by natural wear.
May contain more and larger knots.

SC / SOFT CRACKS
Naturally occurring cracks are made more visible which gives a rustic look with cracks in the surface.
May contain more and larger knots.

FK / FILLED KNOTS
The knots are filled and the wood is planned and sanded to achieve a smooth surface.
Only for OAK and not possible on legs.

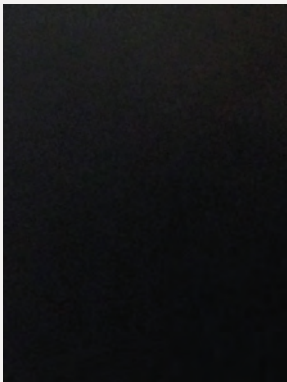

STEEL FINISH

Choose between 4 steel colours for the leg details on the rectangular dining table and both rectangular and round coffee tables.

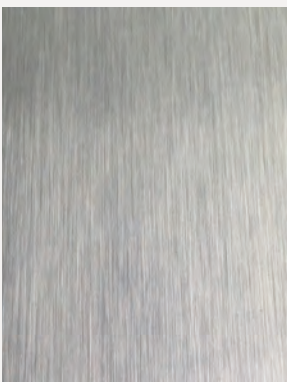

V / VINTAGE STEEL
Rustic/tactile
Vintage Copper look.

Ring, bolts and bushes

B / BLACK PAINTED STEEL
Black painted steel has a graphical and simple look, that fits nicely in most homes.

Ring, bolts and bushes

C / BRUSHED STAINLESS STEEL
Brushed, stainless steel has an elegant appearance with a uniform finish created by hand.

Ring, bolts and bushes

M / BRASS
Brass will get natural patina over time. Do not use water or anyother liquid when cleaning – only use a dry cloth!

FSC® CERTIFICATE

A commitment for a better tomorrow.

CERTIFIED FOR RESPONSIBLE FORESTRY

We are happy to announce that from 2021 we have achieved the certification that enables us to offer FSC®-labelled products. FSC® stands for "Forest Stewardship Council®" and is an international non-profit organisation dedicated to promote responsible forestry. FSC® certifies forests all over the world to ensure that they meet the highest environmental and social standards.

By signing this contract, we have committed ourselves to living up to stricter social requirements. We are proud of supporting the FSC® with their work in looking after the forest workers and the wood industry, as well as fighting unsustainable, illegal forestry and deforestation.

STEP BY STEP TOWARDS BETTER PRODUCTION

We acknowledge that this sustainable transition is a longer journey and not something that happens overnight. But each day they we are committed in doing a little better than yesterday and keep making progress in this matter.

The mark of
responsible forestry
